Want to register? It's EASY!

Our office is located at 515 First St, Crete. We accept cash, check, Visa, Mastercard, & Discover Card. If you are a Resident & haven't registered since Sept 2011, you must present a valid driver's license or picture ID to receive the resident rate. Thereafter, you are welcome to register online or through the mail.

We love parents, but...
With your child's best interest in mind, parents are asked not to attend their child's class unless invited by the instructor. The quality of instruction has often been affected by parent and/or sibling distractions. It is of equal importance that children have quality time with their peers. Our instructors welcome the opportunity to discuss concerns with parents before or after class, time permitting.

Attention Crete Township Residents
Crete Park District and Crete Township have entered into a partnership to offer Township residents the RESIDENT RATE for Trick-or-Treat Trail. Come by the office on First Street before Oct 20th and you can register for FREE!

Who is a Nonresident & what is a Nonresident Pass?
Crete Park District is comprised of the Village of Crete only. Crete Township, Monee, Steger and Beecher do not pay taxes to the Crete Park District. (To confirm your residency, you must check your tax bill or your voter's registration card. Crete Park District does have a map of all homes within the District and can help you!) The Nonresident Pass was designed for those who participate in several of the District programs but do not live inside the District. If you purchase the Nonresident pass, you receive all of the benefits of a Crete Park District Resident and pay Resident rates. The cost is $175 for one year and is good for your entire family!

Refund Policy
1. The Crete Park District reserves the right to cancel any program/trip which fails to meet the required minimum participation level. Full refunds will be given in such instances.
2. Refunds will be granted if a request is made 1 week in advance of the start of the class/program. This excludes trips, craft classes, and other contractual programs, in which case refunds will be granted only if a substitute is found.
3. No refunds or deposits will be given after the class/program begins. The only exception is an injury which prohibits participation in the class or program. A written doctor's excuse is required for this type of cancellation, and the refund is subject to proration.
4. $5 service charge will be assessed on all refunds applicable to items #2 & #3 above. No refunds will be given upon completion of the class/program or any deposit. Refunds will be processed by check on a monthly basis, following approval from the Board of Commissioners.

Late Policy
After your child's designated pick up time has passed, a staff member will wait with your child; however, you will be charged $5 for every five (5) minutes that the child is waiting. The fee must be paid to the Park District before your child is allowed to return.
